

## **Integrated Policy Statement**

Alpha Marketing UK is engaged in the provision of various ranges of office furniture. The company recognises, and is committed to reducing the environmental impacts associated with the provision of these products and associated services.

It is the policy of Alpha Marketing UK to operate an Integrated Management System in accordance with the requirements of the current revisions of ISO 9001:2008 and ISO 14001:2004

The overall objective of this policy is the provision of an environmentally friendly environment and quality orientated work environment for employees, customers and other stakeholders.

The company is committed to the concept of continual improvement and the prevention of pollution and will use the Integrated Management System as an improvement tool. Quality and environmental issues are viewed as core business values.

The overall objectives of the company include:

- Ensuring that our environmental impacts are minimised and controlled. Our considerations will include spillage prevention, waste management, natural resource consumption and the introduction of energy efficiency practices where possible.
- Ensuring that compliance with all relevant legislation, standards and other requirements is achieved as a minimum
- Ensuring that our products and services meet and where possible exceed the expectations of our customers

The company will set and monitor specific improvement objectives to assist with the achievement of these overall objectives.

All employees are required to understand, implement and maintain the company's quality and environmental ethos.

This policy statement will be reviewed on an on-going basis to ensure that it is continuing to reflect the requirements of the company.
