

Steel 4 Drawer Security Filing Cabinet

Product code: AMSFC4

Description

4 drawer security filing cabinets with a swan neck grip handle and label holder, locking with 2 keys (Master Series). All drawers are protected with a solid steel bar that is secured with a padlock (not supplied). Each drawer has 100% extension opening.

Warranty: 10 YEAR

Features

- Anti-tilt locking device fitted to prevent a second drawer being opened.
- Each drawer has high sides to provide additional strength, allowing up to 40Kilo capacity support for suspended filing.
- A4 filing can be accommodated by using AMR4A conversion rails.
